

# MUHAMMAD MAKASHIF

MOTION DESIGNER & WEBAPP ENGINEER

-  Expert Vetted
-  100% Job Success Score
-  Top Rated

## ABOUT ME

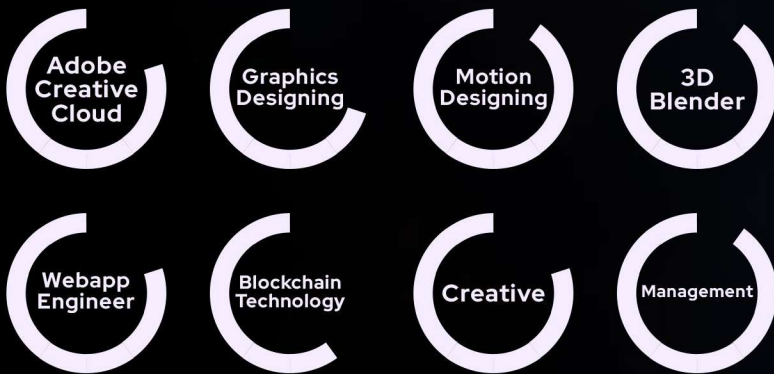

From motion to mechanics, I navigate the spectrum between art and engineering, as a {role || "IT Expert"}. I'm not just building – I'm telling stories, solving problems, and shaping digital experiences that matters.

```
let client;  
// Simulate input  
// try "animation"  
// , "website"  
// , "webapp"  
// , or anything else  
  
client = "design";  
  
const role =  
(client === "design"  
|| client === "animation")  
? "Motion Designer"  
: (client === "website")  
? "WebApp Engineer"  
: "Creative Professional";
```
